ABSTRACT

Appeal against the order of the Deputy Commr, Bangalore Dist, Endorsement No. 65 dated 15-9-99 declining to cancel the sale of the petitioner's vrittis in the said Jodi village for arrears of contribution

The order is as follows

"Notice of demand for the "amount due for the year "1898-99 was served on you "as well as the sale Istthikar. "The Asst Commr in charge of "the Taluk had held the sale "according to rules and made "a report in the matter. The "sale was thereupon confirmed

and the matter cannot be reopened."

Grounds of appeal

(1) The arrears noticed in the isthihar are not legally due and besides, the amount specified against the petitioner, is much more than what was actually due from him,

(2) The sale proceedings have not been conducted according to Rev: Rules,

(3) The Divisional officer has made a note at the foot of the sale patti, that he had to stop the sale owing to there being no proper bids and that fresh isthihar might be issued;

(4) The Deputy Commissioner was wrong in the face of the above remark in having held that the sale was regular and in confirming the sale,

(5) The Deputy Commr has failed to give due consideration to the Yadi of the Divisional Officer made in connection with the sale report in which the Dy. Commr has recommended that, as the full amount due,

was

was paid by the petitioner before the sale was closed and as proper bids were wanting, the amount tendered by the petitioner might be credited to account and the amount of purchase money refunded to the purchaser,

(6) The Deputy Commr has failed to give him proper hearing though the petitioner had complained in the matter by petitions dated 30th June and of subsequent dates and though the petitioner had submitted the papers and the endorsement issued to him by Govt, in the matter.

(7) Though the petitioner submitted to the Deputy Commr the endorsement No. 1574 of 28-1-95 issued to him by Govt before the sale was confirmed, the Deputy Commr has failed to give due regard to the said order of Government

(8) The Deputy Commr has not given due regard to the

remarks of the Officers who held the sale, that the Estate (worth about Rs 20000/-) fetched only a very low bid at the sale and that another is thikbar should be issued). Besides, the recommendation of the Divisional Officer referred to above has not been regarded by the Deputy Commr!

(9). As copies of certain papers (which would throw light on the illegality of the procedures) were refused to be given, petitioner submits that the records may be sent for and perused and the truth ascertained,

(10) Petitioner submits that he paid Rs 1500 within the time as required in this Office End^{t} No 15748 of 28-1-95 and has been paying Rs 500 every year without failure,

(11) Petitioner further submits that if effect had been given to this Office End^{t} No 1999 of 1st April 1898 and the amounts due

due to petitioner recovered), the amounts due from petitioner might have been adjusted,

(12) Though some of the other vrittidars whose vrittis also were sold, paid the amount due even after the date on which the petitioner paid his amount, and though some even failed to pay their dues, the Deputy Commr. has shown them concession only denying it in the petitioner's case.

Prays on the above grounds for the cancellation of the sale as prayed for by him and for issue of orders to stay further measures till the question is disposed of by Government.

The humble petition of Narayanaiah Jodidar of Banavathe, Doddaballapur Taluk.

Most Honoured Sir,

In continuation of my appeal petition dated 2nd October 1899 and 13 subsequent reminders in re the sale of my Inam Village called Herode in the Doddaballapur Taluk, I most respectfully beg leave to inform that no final orders were passed by the Government regarding my appeal which is long pending before Government.

The Endorsement No. 735, dated 18th November last, issued by the Government intimated that the appeal petition was referred to the Deputy Commissioner, Bangalore District, for the submission

of the records. Though it is nearly a year, I am sorry to intimate your Honour, whether the records called for in Government Order were submitted to Government for decision or not. If not I most respectfully beg leave to request your Honor once more to issue necessary orders to the Deputy Commissioner to submit the records as early as possible for disposal.

3. If there were no loss and trouble to me regarding the attachment and sale of the above village I would not have troubled your Honors by means of reminders and thus dwell upon your Honor's most valuable time.

In conclusion I most earnestly and respectfully beg leave to request Your Honor to issue necessary orders to dispose off the appeal and relieve me from the difficulties and troubles I am subjected to for a very long

time.

For which act of Justice I shall ever pray.

I beg to remain

Most honoured and respected Sir,

Cri: Records

Bangalore District
Dy. Commissioner's Office
Bangalore 22nd September 1900

To,

The Secretary to the
Government of Mysore
Rev and Genl Departments
Bangalore

Sir,

With reference to your official memorandum No. Pet 393-92 dated the 23rd November 1899, calling for a report on the appeal-petition of Banawati Kamundappa of Jodi Arvadi, Doddballapur Taluk, I have the honor to forward herewith, the records on the subject containing this office English memo, and the orders passed by the then Deputy Commissioner.

2. It will be seen therefrom that the

The records at first came up before this office for determining whether the Sale might not be cancelled, as the petitioner paid up his dues before its formal Confirmation. Seeing that the petitioner failed to pay the arrears due by him for the year 1898-1899, though a notice was issued to him and the other Vrittidars, and as all the formalities required in connection with the Sale, seemed to have been duly observed, as required by the Land Revenue Code and Rules, the Divisional Officer was requested in this Office yadi No. 85 of the 13th September 1899, to Confirm the Sale after adding certain papers that were then wanting in the file of records on the Subject.

3. On going through the entire records, which were called for as required in the

Survey

mining under Reply, it was found that the declaration of forfeiture was not in the file. After an enquiry, Assistant Commissioner Mr. P. Seetharamaiya, who conducted the sale, reported that, as the village had not been released from the attachment previously made for bringing it under Government management (Vide Government Proceedings No. 11872 of the Pet 393-92 7th February 1895) a reiteration of the declaration of forfeiture was considered unnecessary.

The Khans have therefore declaration has been necessary before sale can take ordered. 2

4. Now for the facts of the case:—

The petitioner has signed both the demand notice and the sale notification. The sale was conducted by the Divisional officer in the presence of the Amildar and the Inamdars, &c. The Divisional officer ~~made~~ made every endeavour to secure proper bids, adjourned the sale from day to day

to

Under
attachment
£ 80 in the
trust of Sor-
there is greater
reason for
formal
forfeiture

to attract bidders and on the 4th day the property was knocked down to one Subbamma for Rs 4000/

5. The Amildar in his No. 789 of the 19th April 1899 to the Divisional Officer, reported that the Jodidars were always throwing impediments in the way of collection after the Conclusion of the Sales for arrears of revenue due. The petitioner had ample notice to pay up the arrears due by him; but he did not offer to pay the amount due until the Sale was concluded: Therefore, the Sale was Confirmed, in Order No. 85 of the 13th September 1899, above referred to. It is against this Order that the petitioner has appealed.

6. As regards the allegation in the appeal petition (para 1) that the demand was

2 ½ pp's

was incorrectly entered in the notice, I

have to State that as explained in para 2

above, and in the Amildar's report No. 480

of the 15th May 1900, Rs 2038-7-3 were due

petitioner

7th The petitioner further says

(in para 12) that if the arrears due by the

ryots for previous years, when the village

was under Government management, had

been recovered, the arrears under reference

would not have accrued at all. After

the receipt of Government Orders that the

in the matter, a Kulwar Sanjaishi patti

showing the amount of arrears since recovered by the Inamdars from each rayat, and the balance due to the inamdars, was called for from them by means of a notice duly served by the Amildar. The Jodidars did not Comply with this requisition, and no Steps Could, therefore, be possibly taken for the recovery of this amount.

8. The petitioner in para 10 of his petition, States that certain Copies — applied for by him — were not granted. Copies of the final order issued to the Amildar, and of Such other records as are allowed by Government Order No 4082 Petition 864 of the 12th October 1895, were — duly furnished

On 31st July 1899 the Dy Commr recommended to the Dy Commr that as the price realised at the sale was very low and that the appellant had paid up the arrear the sale might be cancelled and the purchase-money refunded to the purchaser. Appeal No. 20 of 1899-1900.

Appellant	*Versus*	Respondent
Banavati Nanjundaiya of Jodi Arudi village, Dodballapur taluk.		Chatrada Subbanna of Bangalore.

Facts of the case.

This is an appeal against the order of the Deputy Commissioner, Bangalore district, confirming the sale for revenue arrears of certain vrittis belonging to the appellant in the Arudi Jodi village of the Dodballapur taluk.

2. The village having fallen into arrears of jodi due for the year 1898-99 (and previous years also), a demand notice was issued to all the jodidars collectively, demanding from them the arrears of jodi together with the amount of contribution payable by them towards the cost of repairs of the village tank executed by Government. The notice was served on all the jodidars on 26th March 1899. The default having continued, the village was advertised for sale separately by vrittis on 16th June 1899, in the Dodballapur Taluk Cutcherry. The sales were conducted by Mr. P. Sitharamiah, Divisional Officer. The sale of 15¼ vrittis belonging to the appellant began on 16th June 1899, and was adjourned to 17th, 20th and 21st June for want of bids. On the last date they were knocked down to the respondent Subbanna for Rs. 4,000.

3. On 5th July 1899, the Amildar submitted the sale records to the Divisional Officer adding that the purchaser had paid up the full amount of purchase money within the due date, *i. e.*, on the 5th July following, that the defaulter had also paid up the arrears on 23rd June 1899, and that the same was held in deposit.

4. On 31st July 1899, the Divisional Officer recommended to the Deputy Commissioner that, as the price realized at the sale was very low and the appellant had paid up the arrears, the sale might be cancelled and the purchase money refunded to the purchaser. But the Deputy Commissioner confirmed the sale on 13th September 1899, on the ground that there was no irregularity in publishing or conducting the sale. The appellant has appealed to Government against this order and urges that the demand was in excess of the sum due by him; that the arrears accrued at the time when the village was under Government management; that the district and taluk authorities did not give him proper assistance in recovering the same, that the amount of contribution had not yet fallen due; that the price realized at the sale was very low, and that the sale had been adjourned for more than three days, in contravention of para 3 of Section XLI of the Land Revenue Rules. He prays that, as he has paid up the whole of the arrears, the sale might be cancelled.

Decision.

5. In this case Government are not satisfied that an adequate price was realized for the vrittis sold. The remark made by the Divisional Officer Mr. P. Sitharamiah, who conducted the sale, at the foot of the haraz patti, that the sale should be stopped for want of proper bids and that fresh sale notification should be issued, would show that the sale was not finally concluded. Subsequently when the records were submitted to him by the Amildar for confirmation, the Divisional Officer made a distinct recommendation to the Deputy Commissioner, that as the amount of the bid was low and as the appellant had paid up the arrears, the sale might be cancelled. That officer, however, took a different view and confirmed the sale. From a perusal of the records Government are of opinion, as already remarked, that an inadequate amount has been realized for the vrittis. No declaration of forfeiture has been recorded as required in Revenue Rule XXXVI, para 1. It is also a question if the direction contained in para 3 of Revenue Rule XLI, regarding no sale being adjourned for more than three days, has been strictly complied with. Under these circumstances, the sale of the appellant's vrittis is cancelled, and the amount deposited by him will be credited towards his arrears, and the purchase money paid by the respondent refunded to him.

Memo

Letter No 137 dated 19th May 1890 from the Deputy Commissioner of the Bangalore forwarding for orders the papers relating to the repairs of the Jodi Arodi and Banavadi village Tanks in the Doddballapur Taluk.

The following is a precis of the papers on the subject.

Bangalore Dy Comrs No 205/27-5-84 | As the above mentioned Tanks were in a neglected state, the Govt tanks below them were in danger. Notices were issued to the Jodidars more than once to repair the Tanks. They having failed to do so, the P. W. D. framed estimates for repairing the tanks, and the Dy Comr recommended that the repairs may be carried out by the P. W. D. and that the cost be recovered

from the Jodidars.

2 The above mentioned proposal of the Dy Comr was sanctioned and the cost of the repairs ordered to be recovered from the Jodidars, if necessary, in two yearly instalments. Govt Progs No $\frac{3635}{266}$ dt 15-9-84.

3 The Tanks were repaired by the P.W.D. at a cost of Rs 6576 and Rs 4971 respectively.

4 Notices were issued to the Jodidars for the payment of contribution. But the Vrittidars in their Petns dt 21-8-88, 27-11-88 and deposition* given before * dt 28-8-88 the Amildar stated that it would be unjust to ~~distribute~~ levy the cost of repairs equally from all the Vrittidars, as they do not hold an equal extent of wet and garden land, and that therefore

the contribution should be collected from such of the Vrittidars as are benefited by the water of the tanks, that is from such Vrittidars as hold wet lands under the tanks as well as those whose dry lands can be converted into wet owing to the recent repairs of the tanks, according to the extent of such land held by each Vrittidar. Persisting in these objections the Vrittidars delayed payment of the contribution in spite of the repeated demands made for the same.

5 Therefore the Villages of Arodi and Banavati were ordered by the Dy Comr. to be attached and placed

Dy Comrs order No 8548 98-11-88
" " No 1025 98-1-89

under Govt management.

6 The Jodidars of Atrodi in their Petn (in English) to the Dewan stated that they were unable to bear the cost of the repair in full, and requested that the Govt may be pleased to bear a portion of it. No 2607 d 8-2-89

7 The above Petn was referred to the Dy Commr for early report as to the circumstances of the Village and of the Petitioners, and the most effective and equitable way of recovering the debt due to Govt and the arrangements, if any entered into or promised by the Jodidars. This office docket No 602 d 25-3-89

8 The Dy Commr in reply reports as follows:— No 137 d 19th May 1890

"For the recovery of the

amount (cost of repairing the tanks, Rs 6576 & Rs 4971 respectively) the villages have been held in attachment. The Jodidars consider the measure a great hardship to them and pray that the Govt may be pleased to contribute a portion of the cost. This request is inadmissible as the duty of keeping Jodi tanks in good repair has been more than once declared and acted upon by Govt. At the same time it is not untrue that the Vritti of both the villages are held by a lot of poor Brahmins, who if deprived of the little and scanty means of income they derive from this source

will be reduced to
utter destitution. Under
the circumstances, it
seemed to me that this
was a good case to be
brought to the notice
of Govt for favorable
and indulgent treat-
ment. The procedure
adopted in the case of
Jodi Timmlapur village
of the Huliyar Sub Taluk
in the Tumkur District
may be applied to these
Tanks also. The cost of
repairs plus a reason-
able interest may be
allowed to spread over
a few years, and the
money recovered in the
way of the imposition

of a water rate of four Rupees per acre. It is believed that the water of the tanks in question commands an irrigable area of 228 acres and if the mode above suggested be sanctioned, the annual recovery will amount to Rs 912/- and the debt of Govt will be recovered in a period of about 15 years."

Pet[r] no 2 5/7/92 from Kanjudy & other vrittidars of Banavatte, complaining that ~~non~~ the Govt order of 21/2/91 was not given effect to, was forwarded to the Dy Comr for report.

In his letter no 259 of 22/8/94, the Dy Comr reported 1° that, though 3 years had elapsed since the order of Govt directing the restoration of the villages to the vrittidars, the order could not be carried out as the vrittidars failed to execute a muchalika binding themselves to pay Rs 1000 annually till their debt was discharged.

2°. that as the villages were not surveyed in detail, a large portion of the lands held by the balance was disputed by the ryots & was irrecoverable

3° That as the annual net revenues of the villages both of Banavathi amounted only to Rs 272-9-7 & Rs 26-6-6 respectively, it was hopeless to expect to realize the arrears due to Govt (more than Rs 4,000) within a reasonable period.

4° That he (Dy Comr) was strongly opposed to the continuance of Govt management and that the best way to realize the arrears would be to sell the villages.

Thereupon Mr Venkatasubba Rao directed the Vakkaldars to attend the Darbar's office and there was an idea of introducing survey settlement into the villages. But as the Dy Comr reported that most of the Vakkaldars were opposed to the introduction of survey settlement, Govt finally decided (Genal No 23) that the villages might be made over.

Memo

Ref - Telegram from Krishna Rao & Narsimhappa Vrittidars of Arvakurthi Mayuram Dt Hanamsagar.

Report was called for from the Dy Comr on 9th January '97 on ~~pet~~ the 2nd petr's petn No 1999 claiming that certain arrears due from the ryots should be collected by Govt on petr's behalf. Two reminders have been since issued but the report has not yet been received

2.

Petrs' case has a long history. The facts are briefly that, on the failure of the Jordars & ~~as~~ restoration their ~~tanks~~ (which formed ~~above~~ part of a series of Govt tanks) the Govt had the tanks restored by the DPW at a cost of Rs 11,54].

Thes cases in 1884 As the Vellidars
failed to pay up the amount
the villages were attached in
1889 & 1890 & entrusted under
Govt management for about
5 years
In 1896 the Govt directed the
restoration of the villages to the
Vellalars provided they agreed
to pay 1000 Rs Govt per annum
till the arrears were discharged (May in about 15 years)
owing to want of unanimity
the Vellalars (Arcot - 59 votes
Ramnad - 24 -).
they failed to execute the necessary
Muchalika & the Govt order
was not carried out
In January 1895, the Govt directed
the restoration that while the
villages may continue under attachment,
the management should vest
in the Vellalars provided they
paid Rs 2000 at once & agreed
to pay Rs ~~700~~ 1000 per annum
hereafter to liquidate the arrears.
= The Vellalars do not seem
to have acted up to the above
agreement & under the terms
of the Govt order above quoted, the
DS Conr seems to have restored the sale of some of the villages

The petrs' objections are
(1) That the rents due to the Jotdars were not collected in full by Govt when the villages were under Govt management
(2) That the toddy-revenue of the villages has not been paid to them
& they urge that all the objections are disposed & the sale should be stayed.
The 2nd objection may be disposed of at once. It was never raised during the course of the long correspondence
There is some force in the 1st objection: Serial nos 13 & 17 in the Open file show that the DC & Comr felt some difficulty in realizing the rents (according to the imperfect accounts of the Jotdars) in the absence of a fair survey settlement.
But the Asst Comr's memo (enclosure to Serial no 17).

(36)

shows that the arrears due from the ryots were in some cases of 10 years' standing

& a suit by the Vrittidars would be held to have been barred - of course the Vrittidars could not sue when the Village was under attachment for 5 years

=

on the whole I would not hazard any opinion in such a complicated case but there seems no doubt that the failure of the B/Govt to introduce Survey settlement during the 5 years of Govt management & the bad management in consequence (admitted by the Govt) as well as the poverty of the Vrittidars (admitted by the B/Govt & the Govt on many occasions) entitle them to indulgent treatment

The latest order of the B/Govt dismisses the petrs' objections summarily without going into details

Precis of the correspondence in re the recovery of the contributions Amount of repairs of tanks in and the arrears including Jodi from the Jodidars of Arodi and Kanavati villages Dodballapur Taluk

Vide No 1 in the open file

Re 27.5.84 the Dy Comr of Bangalore wrote a letter to Govt submitting the Amildars report on the subject and stating that the Jodidars neglected the repairs of the tanks in question as they just above the Govt tanks which necessitated the repairs of the former tanks - that although they were warned several times to repair the same, they failed to do so; and therefore it would be better to get the tanks repaired by P.W. Dept and recover the costs incurred thereby from the Jodidars.

This was approved by Govt in Roc No 3635-6/266 of 15-9-84 and accordingly the Jodidars were directed to pay the estimated amount in two yearly instalments.

The management regarding demands is whether Govt thro its District authorities should help the Jodidars in recovering the arrears which accrued during the period of Govt management - I see no difficulty in deciding this question affirmatively. No Dy Comr should endeavour wholly these Jodidars who have at present the management of the villages to collect their arrears & in cases where compulsory measures is required what the expenses in balance of revenue & realize from the Jodidars under the Land Revenue Code.

On 8-2-89 Nanjundappa and other Jodidars petitioned the Govt stating that their villages had been placed under forest attachment for the recovery of the Contribution amount - that they were not solely liable to pay the same - that the Govt should bear a proportionate amount, and the balance be collected from the several landholders who were benefited by the water - that they should be allowed to pay the sum at 4Rs per acre as others similarly placed in Dumkur District were allowed. granted. and the villages be released. This petn was forwarded to the Dy Comr for report as to the circumstances of the village and of the petitioners and the effective way of recovering the amount

On 23-6-92 Nanjunda and others of Banavati petitioned the Govt stating that in spite of the Govt order directing the release of the lands from attachment and the recovery of the cost of repairs from the petitioners by instalments, they were not released though three years had elapsed and so praying for the release of the same

23d Aug 94 - No 3 (f)

This was sent to the Dy Comr for report with reference to the above order of Govt. The Dy Comr reported that some of the Vahivdars did not appear to execute the Mutchalikas binding themselves to pay the amount due to Govt and so the order of Govt could not be given effect to and the villages released - that the villages in question - namely Arodi and Banavati were brought under Govt management on 3d Decr 1888 and 10th Augt 1889 respectively - that they were not surveyed in detail that the management had not proved advantageous either to Govt or to the Jodi-dars and so recommending their sale by public auction ~~at~~ Six months after the service of a notice to the

Mr Raghunath Rao who instituted the enquiry was of opinion that the arrears be distributed among the Vatkidars rateably - the amount due being 9186-1-6 and 4142-1-9 as would appear from his memorandum -

No 18 in the file

On the same date H. Krishna Rao Jodidar of Arodi petitioned the Govt stating that as the Taluk authorities wished to hold one Vatkidar responsible for the Jodi amount instead of holding each responsible for his proportionate amount none were willing to execute the Mutchalika and so praying that orders might be issued to take mutchalikas from them for his proportionate amount release the villages attached and recover the sum by instalments.

About the same time Vasudeva Jodidar of Banavati petitioned the

Dewan stating that he paid 1000 Rs and was ready to pay 500 Rs - another instalment and agreed to execute a mutchalika binding himself solely liable for the whole amount - that still he was not given possession of the village - the authorities thinking that the two villages were jointly liable - that the two villages had no connection with each other, there being independent title-deeds for the two. Prayed that the amount recoverable from the ryots be collected and credited to accounts and the village released from attachment.

as per Govt order No: 13483 of 538 / 21st Feb 1880.

On this, the Dewan Bahadur Ramaraji Pantulu reported as follows:- "Petitioner says that he paid 1000 Rs and will now pay 500 Rs. It is a mistake to keep the village under Govt management. Let it continue under attachment on account of balance due to Govt (which as regards this village should be separately recorded) and hand over

the village to the owners who should pay the balance by annual instalment of 500 Rs under the terms of the order of 21-2-91. Provided that if default is made in any instalment the village will be sold to realise the entire balance if possible always with interest as is usually done for arrears.

Both Nanjundappa and Krishna Rao Jadidars petitioned the Dewan again when the Dewan ordered that the village Arodi be dealt with separately as with Banavati. Arodi should pay 6 Rs per annum under the order of 21-2-91. These two orders were embodied in Govt Proc No 1185 Z / Pet 793-92 dated 21-1-95, and the same communicated to the parties by end: stating that the village should continue under attachment but the Dy Comr had been directed to hand over to them the management of the village during the attach-

ment and that they should pay the sum before 1st July 1895 (Bannvati 600 Rs & Arodi 1500 Rs at once, and the balance at 500 Rs per a year for each village) and if default be made in any instalment the villages would be sold for the realization of the entire balance.

On 18-12-96 Ranjindappa appealed to Govt against the order of the Dy Comr No 321 dated 2-11-96 conveyed to him by the Amildar in his endt No 57 dated 11-11-96, which was to the effect that on the petitioner's request to the Dist authorities that the amount of arrears due by the ryots for the years during which the two villages were under Govt management be received and paid to him, the Dist authorities issued the above order stating that when the arrears with the arrears standing the villages were taken under Govt manage-

ment - that the Tahsildar released the village under similar circumstances with all loss and profit therein and so no more relief could be granted than what was allowed by the Land Revenue Govt Rules - He prayed that the Amount payable by the ryots be collected and the balance if any be recovered from them Thereupon a report with records including a statement showing the amount of arrears due by the ryots and for what years they were due was called for.

On 18-7-97 the above named petitioner again petitioned the Govt stating that the Govt had subsequently decided that the annual amount of works be recovered from each individual holder in proportion to his holding - that he had been paying his share regularly - that others had allowed their share

to fall into heavy arrears and that he was held responsible for these arrears - Ranjed that orders be passed directing the renewal of the old order (passed on the petition of 1-12-94) sanctioning the collection of the amount from each individual -

This was sent to the Dy Comr for disposal with reference to Govt order No 4872 / Rev 93-92 dated 22-1-95.

This seems to be in conflict with his previous petn dated 23-11-96 vide No 19 of the open file -

The above petitioner and others again petitioned the Govt for orders directing the stay of sale of their village fixed to 29-11-97 - that they paid the Govt amount regularly but failed to pay the amount of today sale in Durgamukhi at 8 Rs per vutti owing to scarcity last year, but that amount would be covered by the amount due to them from the ryots which the Govt should have collected -

The above report was received from the Dy/Comr on 13-12-97 who says that the Jodidars of Arodi owed 2500 Rs towards their instalments upto 1896-97 of which they paid only 1722-4-3 that as they failed to pay the amount of each instalment regularly, they lost all claims to the concessions granted to them by Govt in their Roc of 21-1-95, that both the villages Arodi and Banavati still owe towards the cost of repairs and also Jodi Rs 8301-8-10 and 3505-10-6 respectively, but the amount payable to them from the ryots for 7 years during which the villages were under Govt management is Rs 2502-1-5 & 1053-13-2 respectively which they pray to be deducted from their dues and the balance recovered from them.

IV. Thereupon the Divl Officer
having asked the Amildar to state
whether all the 17 Vrittedars had paid
up their arrears, the latter replied
that most of them had done so
and that some of them owed small
amounts and that the Sheristadar
had been directed to collect the
same promptly.

V. On 31-7-1899 the Dy Officer
Mr. P. Seetharamaiya in submitting
the records to the Dy Commr
stated

| Collection en Voyage | | |

that in satisfaction of the arrears due by Vrittidars Atchoota Rao, Ranjundappa Manteraiyana Ranjundappa and Konarappa, the sale of their Vrittis was begun on 16.6.93, that there having been no proper bids the sale was adjourned to another day and conducted by him in person; that there having been a bid for Rs 2700/- for Ranjundappa's Vrittis the amount of bid was paid by the bidder and held in deposit; that as the bid was not a reasonable price for the property the same was not knocked by him in the Varaga patte; that the defaulter having paid the jodi of the Vritti and other arrears (illegible) on the next day after the sale the same had been held in deposit; that the village was a very valuable one fetching a high price; that the Vrittis of Ranjundappa and Manteraiyana Ranjundappa which had been so fetched very low prices and that on these grounds the sale might be cancelled and the amount of purchase money refunded to the purchaser.

Thereupon the Dy Commr asked the Divl officer to explain how in opposition to para 3 of L.R. Rule no XLI the sale had been adjourned for 6 days though the same should not have been done for more than 3 days including the day fixed for sale, observing at the same time that it was to be regretted that there were such irregularities in the sale of a valuable property

Paper no 88 / 15. 8. 99

VI In reply the Divl officer explained that 2 holidays having intervened the sale was regular according to para 4 of the aforesaid Rule XLI and that he had recommended for the cancellation of the sale.

P.no 98 / 17. 8. 99.

VII On 13. 9. 99 the Dy Commr Dur. K. P. Rattanna rejected confirmed the sale on the ground that there were of the appt's Vakils no irregularities in publishing or conducting the same. On the same day he issued an order to the Amildar of Doddaballapur also to put the property in the possession of the purchaser This was accordingly done and a muchalika taken from the purchaser on 29. 9. 99

VIII On 2-10-95 the appellant appealed to Govt for cancellation of the sale on the following grounds:-

1) That the amount noted in the istihar were not legally due, the amount specified against the applt being in excess of the sum due by him.

2) That the sale proceedings were not conducted according to L. R. Rules. and that the sale was not published in the Gazette

3) That the sale was not finally concluded, the Divl Officer who conducted the same having made a remark at the foot of the Storage bills that he had to stop the sale for want of bids and that fresh istihars should be issued. The conclusion of the sale is not noted in the Storage bills. The land was knocked down to the respt.

4) That the Divl Officer who conducted the sale was of opinion that the sale should be cancelled as the price realised therein was low.

5) With regard to the arrears the applt submits that they accrued at the time when the village was under the management of Govt and that the District authorities had not helped him in its collection. in the face of the order of Govt and that there was time for him to pay the contribution till 31st July 1900. In submitting the report called for

for in the above petition the
by Govt. x adds in addition to the facts of the case that there was no
declaration of forfeiture in this case
as the village was under attachment
for the arrears of contribution due
by the jodidars and that the appts
plea that the Dist and Taluk authorities
had not helped him in collecting the
old arrears was untenable as the Appt
had failed to furnish a proper
statement of the balance of arrear
due to him by the ryots. With regard
to the latter point the appellant
submits the petition containing
the endorsement for the production
of a statement of arrear. In that
petition he states that the accounts
are not with him, that they must
be with the Shanbhog; that the ryots
refused to give him proper accounts,
and that it was therefore not
possible for him to find out the arrears
due and that the Govt must be
responsible for the accounts of
arrears which accrued at the time when the village
was in the hands of Govt.

(6) That he paid the whole of his arrears
before the sale was concluded on 23-6-98.

x Serial no 49 in the open file

vide petition No 8838 30/10/00.

IX The irregularities to be noticed in the sale proceedings are:-

Rev Rule No XXXVI P1 1) Absence of declaration of forfeiture of the alienated holding. (The order required by the 1st Commissioner put up)

2) The sale is that not mentioning the estimated value of the property (Vide S.O. no. 4508 dy 4-1-98, put up)

3) The adjournment of the sale for more than 3 days, the sale having been adjourned from the 16 to 17th, 20th + 21st, 18th + 19th being excluded as holidays

Rule ~~X~~ XI, Paren 3.

4) The Asst Commr's remark on the Harage patti written on 21-6-99 adjourning the sale to the next day apparently applies to the appts' valities also as explained in the Asst Commr's yadee dy 31-7-99 to the Dy Commr; and there is no remark in the Harage patti to show that the sale was finally concluded

X The appellant is himself to blame for having allowed the arrear to accumulate and evading payment of the amount on the plea that the contribution amount had not yet fallen due there being yet time

of revenue and certain [illegible] even at present

2. In above june last a sum of Rs 6786 was demanded of us by the Amildar on account of contribution towards the repairs of the tank of this Village; and as we found it difficult to pay this heavy sum also one of the petitioners Nunjundia but in two petitions bringing to notice that the demand was unreasonable but no replies were given nor any enquires instituted.

3. Subsequently the entire Village has been brought under attachment for the said amount altho' no Muchilka was obtained from us by Government to pay the same.

4. We beg humbly to represent that it is not fair to burden us poor as we are, with this amount in full. In case the repairs of this godi tank, which is at a higher level, was undertaken to ensure the safety of the other Government tanks ending lower on, we beg to submit that Govt should bear also a proportionate share of the [illegible] on the godi paid to Government; and [illegible] we humbly beg your honor to kindly issue orders to

to this effect. The balance then will have to be paid by the holders of wet and garden land consisting of 120 acres of Inam, Jeruiti Inam and Vrittis irrigated by the water of this tank. It becomes equally impossible to pay this large amount all at once and in a lump sum and we humbly beg your honor to issue orders to have this amount apportioned between the several land holders and to recover the same at Rs 4. per acre, at the usual water rate, or Rs 480 per year whereby the land holders will be will be enabled to pay the same easily and Government will also recover the amount.

5. We further beg to represent that of the village is taken under Government manage the arrangements and conditions under which the lands have now been leased will be dis turbed and every one will be put to additiona troubles and losses, we also hear that the co- cession now prayed for by us has been gran in the case of Inamdars of certain Inam villages of the Tumkur District

6. In conclusion we most res

and humbly beg your honor to grant us the said concessions and order the village to be released from attachment and thus protect humble petitioners.

For which act of kindness and charity the petitioners will ever pray for yours honors long life and prosperity.

Government of Mysore.

Sir,

With reference to your No. 602 of 15th March 1889, I have the honor to forward, herewith, the accompanying papers to be laid before the Dewan for his favorable consideration and orders.

2. The tanks of Jodi Arodi and Banavati villages in the Dodda Ballapur Taluk were repaired by Government, at a cost respectively of Rs. 6576 and Rs. 4971. For the recovery of the amount the villages have been held in attachment

H. Jodidars Consider the measure
a great hardship to them and pray
that the Government may be
pleased to Contribute a portion
of the cost. His request is in-
admissible, as the duty of keeping
Jodi tanks in good repair has
been more than once declared
and acted upon by Government.
At the same time it is not un-
true that the Vrittis of both
the villages held by a lot of poor
Brahmins, who if deprived of the
little and scanty means of income
they derive from this source will
be reduced to utter destitution.
Under the circumstances, it seemed
to me that this was a good case
to be brought to the notice of
Government for favorable and
indulgent treatment. The pro-
-cedure adopted in the case of Jodi

Such errors of measurement the Dy. Commr should have rectified here & in that case the Commr wanted in that case. That case has been so ill handled that it is yet unsettled & forms the subject of further correspondence

Dy Asst

Timmlapur village of the Hul-
-gur Sub Taluk in the Tumkur
District may be applied to these
tanks also. The cost of repairs
plus a reasonable interest may
be allowed to spread over a few
years, and the money recovered
in the way of the imposition
of a water rate of four Rupees
per acre. It is believed that
the water of the tanks in Question
Commands an irrigable area of
228 acres, and if the mode
above suggested be sanctioned,
the annual recovery will amount
to Rs: 9/2, and the debt of Govern-
-ment will be recovered in a
period of about 15 years.

Appellant.	Vs.	Respondent
Nanjundappa & other inhabts of Jodi & Banvati Doddaballapur Taluk, Bangalore District		

Decision. 21.2.91.

The Tanks of the Petns' Jodi village were repaired by Govt at a cost of Rs 11,54 /, and for the recovery of this amount the Jodi villages have been placed under attachment. Petitioners state that they are unable to pay the whole amount at once and request that they may be allowed to pay it by instalments at Rs 4/- an acre on the lands irrigated under the Tank. The Dy. Commr recommends indulgent consideration as the villages are held by a number of individuals who live from hand to mouth.

Under the circumstances stated, the Govt are pleased to direct that the villages be released from attachment and made over to Petitioners, if they agree to pay the amount due to Govt by instalments of Rs 100/- a year or together with

with interest at 4 per cent per annum. The lands irrigated under the Tanks are stated to be 228 acres and the Anna Petis are now called upon to pay is about Rs 4/- an acre. The Govt. cannot undertake to collect the water rate from each individual & the Inam village be released from attachment and made over to Petitioners. It is an arrangement which Petitioners should come to among themselves.

To,

The Chief Secretary to the
Dewan of Mysore,
Bangalore.

Sir,

In reference to the Order of the Government dated 21st February 1891 in Appeal No 2607 of 1889 in regard to the Jodi Villages of Arodi and Banavati communicated to the Deputy Commissioner with Endorsement No $\frac{13483}{5.38}$ of the 25th Idem, I have the honor to report that although more than three years have elapsed since the above order sanctioning the transfer of the villages to the Jodidars on their executing a Muchilka binding themselves to pay Rs 1000/- yearly with interest at 4 per cent per annum towards the contribution due by them, the Amildar has not-

been able to get all the Vrittidars to appear and sign the Muchilka. Unless all the Vrittidars appear and sign the Muchilka, I do not, under the orders of the Government, feel competent to act on it. I am now informing the prominent men among the Vrittidars who come forward to petition every time and again that unless they bring all the Vrittidars and have the Muchilka signed, the Concession made by the Government will remain inoperative.

2. As the Government is aware these two villages were brought under the management of the Government on the dates shown opposite to them for the recovery of the

cost of the repairs of the Tanks executed by the Government. The cost payable by each village is also exhibited opposite to it.

Rs. a.

Aprodi: 3rd December 1888 — 6,576.

Banavati: 10th August 1889 — 4,971.

3. I enclose a statement showing the Government demand, collection and balance in regard to each village for the years of the management. From this statement you will find that the villages have to pay to the Government the following amounts:—

	Aprodi.	Banavati
Jodi —	2670.9.3 ———	339.14.11
Quit Rent.	1.7.11 ———	" " "
Local cess.	303.7." ———	203.4.2
Interest.	320.12." ———	Not shewn in the demand.
Cost of Tank repairs	6576." " ———	4000.8."
	9872.4.2 ———	4543.11.1

4. I enclose another statement which shows the demand, collection and balance of these villages on account of the Jodidars. From this, the following results are obtained:—

	Demand.	Collection.	Balance.
Arodi	138	74.4.4	8160.3.10
Banavati	28	99.15.10	1865.13.8

5. The villages have not been surveyed in detail. The demand seems to have been made out from the information obtained from the Jodidars. A large portion of the so-called balance shown as due is disputed by the Ryots. The Amildar reports that

Rs. 65-3.9.8. against Arodi
and
Rs. 139.8.3. against Banavati

are irrecoverable.

6. The nominal demand in favor of the Jodidars for Vijaya was for Aprodi Rs. 2618. 9. 4 and for Bavarati Rs. 596. 11. 4 against which the Government demand of the Jodi and the local cess is Rs. 15-12. 1. 3 and Rs. 391. 8. 0. The average per year of the disputed rentals which comes to Rs. 833.14.6 for Aprodi and Rs. 178. 12. 10 for Bavarati be deducted from the nominal demand, the net demand is Rs. 1784. 10. 10 for Aprodi and Rs. — 417. 14. 6 for Bavarati Deduct from these amounts, the Government demand as shown above, the balance is Rs. 272-9-7 for Aprodi and Rs. — 26-6-6 for Bavarati. Thus, it is clear that these villages in their present condition cannot afford to pay even the interest at 4 per cent on the large balances still due to Government. It is thus hopeless to expect to

recover the balance while the Villages remain as at present under Government management.

7. Further, the management has proved advantageous neither to the Government nor to the Jodidars. Un-Surveyed villages have Battaye which is a source of Corruption under Government management.

8. These villages have not hitherto been reported on annually and I should not have come to know anything of them but for the periodical Scrutiny of arrears of Government Revenue.

9. I am altogether opposed to the continuance of Government management. I beg to propose that after six months notice in the Gazette calling

on the Jodidars to pay up the arrears still due and take back the villages, the villages with right to collect the arrears shown in the accounts be sold by public auction subject, of course, to the payment of the usual Jodi. I solicit very early orders.

10. I have retained the vernacular records, as I want to go to the villages and overhaul the accounts. The information contained in this letter and its enclosures will, it is hoped, prove a sufficient data enabling the Government to dispose of this reference.

To

The Chief Secretary to the Dewan

Sir,

Adverting to the Government Proceedings No. 4428 P.F. 93-92 dated 2nd September 1894, Requesting to ascertain the wishes of the Inamdars of Arodi and Banavati villages, Dodda Ballapur Taluk, about the introduction of Survey and Settlement into them, I have the honor to report that while Arodi has 59 vrittis and Banavati 29, only 9 vrittidars of the former and 5 of the latter appeared in compliance with the notice. A majority of the Vrittidars present are against the introduction of the Survey Settlement. Mr. Assistant Commissioner Raghunatha Rao says that all the

Vrittidars could not be got at. It is not possible to get at them all as reported already in my former letter No. 349 of the 17th September 1894. So far as the introduction of the Survey Settlement is concerned, I do not think the consent of the Vrittidars is necessary. The villages being under the management of the Government, the Deputy Commissioner is, under Section 120 of the Mysore Land Revenue Code, competent to introduce the Survey Settlement temporarily at the cost of the Inam-dars independently of their consent. If the Government think that this course can save the Inamdars, I shall proceed to introduce the Survey Settlement, but I still adhere to my former recommendation with the modification now suggested by Mr. Raghunatha Rao. The two put together comes to a

rateable distribution of the arrears among the several Vrittidars and Release of the Vrittes of such holders as pay their respective share within the prescribed time and sale of the Jest. By the present arrange-ment, as also by the Remedy Sug-gested by the Government we are punishing and shall continue to punish the Vrittidars who are willing to pay up their dues for the default made by others, which is not just to the former.

2. The with holding of rent by certain Ryots to which Mr. Raghuna-tha Rao refers has already been noticed by me and reported to Government in my first letter No. 349 dated 17th September 1894. I am going to investigate it while doing the Jamabundy of the Taluk which I am to settle this year. I enclose Mr. Raghunatha Rao's Memorandum

Reference Deputy Commissioner's No. 1325 dated — 2 letters with copy of letter No. 259 of 20th August/94 and the Government order thereon — account the arrears still due by the Jodidars of Arodi and Banavati villages, Dodballapur taluk.

I am requested to ascertain the wishes of the Vrittidars as to the introduction of Survey and settlement into the two villages. I had 14 leading Vrittidars present at Rajankunte. Of these 9 belong to Arodi & 5 to Banavati villages. The remaining Vrittidars appear to have been absent in different places. Their attendance could not be secured in a short time. Their statements taken before me are hereto annexed together with a list of number

of Vrittis owned by each, for information.

2. Arodi village is divided into 59 Vrittis and Banavati 29 but most of the present holders have acquired several Vrittis by purchase &c. One of their prayers is that there being no connection between the two villages not only each village should be dealt out separately but also each Vritty should be so dealt out in recovering the arrears of revenue in question. One of the Vrittidars present, viz:- Narayana Sastry said that he would pay up the arrears due by him, both on account of the Jodi amount and the Cost of repairs to the tank, at once.

3. The arrears due up to the end of the last year are as follow:-

Total Rs: 4142-1-9

4. Under the recent Government orders, the leading Vrittidars executed Muchalikas offering to pay up the arrears by annual instalments viz:- Rs: 1000—— for Arodi village & Rs: 500—— for Banavati village— All the Vrittidars present have agreed that they would pay the last three years' instalments (since the date of the Government order) that is, Rupees 4500—— in the aggregate at once, if allowed to do so— and continue to pay the instalments at the above rate till the arrears are cleared.

5. Banavati village has seven hamlets or Dakhle villages to it— Of these 5 are depopulated and the lands covering a large extent are lying fallow from time immemorial. The lands brought under plough are only in the remaining 3 villages.

Banavati

Banavate included. The raiyats of one of these three villages, that is, Pachchalahalli have withheld payment for the last 10 years in consequence of a dispute between them and the Vrittidars; the former asserting that they cultivated the lands on condition of paying a fixed rate of assessment, but the latter maintaining that they let out the lands only on Wara tenure and that they are entitled to a share in the produce. According to the cultivators' admission, the arrears for the last 10 years amount to nearly 1000 Rupees, but the Jodidars' claim is for nearly 3000 Rs:- The Vrittidars cannot institute a suit against the cultivators because the village is under the Government management.

6. As to the introduction of the survey & settlement, the Vrittidars are divided. The majority is against it and the minority for it. Those who are against it say that in the settled Govt. villages, in the ~~neighbouring villages~~ Kotigere

By the present arrangement as also by the remedy suggested by the Govt. we are enabled to continue & punish the Vrittidars who are willing to pay up their dues for the default made by others who is not just to the former. The Vrittidars of Kud by certain By ots to which Govt.

Kaffumatta (Kartigere Taluk to which the Jodi villages formerly belonged) the survey rates are as low as 2 to 8 as. per acre; whereas the Vritticdars realize at present rates varying from 1 to 3 rupees an acre —

Considering the large area of Banjar lands in each village, they will sustain loss by the introduction of the survey rates. The minority maintain that the extent of land attached to the several Vrittis differs considerably while the Jodi amount fixed to each is the same. This is inequitable to those whose lot is to possess less extent of land. They are therefore of opinion that the introduction of the survey and settlement may wipe off all the inequities.

7. I am of opinion that the introduction of the Survey & settlement into the two villages will be beneficial to all concerned provided the average survey rate for Doddaballapur Taluk be adopted and provided that this measure will not be interfered with the concession already allowed to pay up the arrears by annual instalments

instalments.

R. NO. 1481 R
DATE 23-11-94

(18)

To
The Dewan of His Highness
The Maharaja Raja of Mysore.

Most Respected Sir

The following is the humble prayer of H Krishna Row Godidar of Aurodi village Doddabalapur Taluk.

92 93
1141

I In Conformity with the recent orders of the Government regarding the arrears of contribution amount due by the Vrutidars of the said village, the General Assistant Commissioner Mr Ragoonatha Row summoned all the Vrutidars before him with a view to ascertain from them whether they were willing to have their villages settled and assessed and this report together with that of the Deputy Commr might have been received by you.

II Immediatly after the villages were taken under Government management, we appealed to Government and in response to that, it was ordered that the villages might be released if the Vrutidars executed a Muchalika agreeing to pay Rupees (600) Year after year until the arrears were cleared.

III The Taluk authorities insisted on one of

Single Vrutidars holding himself responsible for the regular payment of instalments and since the amount due was a large one, no person was forward enough to take the responsibility on his shoulders.

IV The best course that would have been beneficial both to Government and the Vrutidars was for Government to have released the portion belonging to each Vrutidar making him responsible for the payment of arrears due on his Vruti and in default to deal with his Vruti as if the arrears fell due on his Vruti alone, thus each Vruti could have been treated as a separate whole which could be disposed of according to rule, if within the stipulated time the Jadidar did not pay the arrears.

V That however was not done, nor were the Government orders given effect to, even now each Jadidar is willing to pay up the arrears due on account of his Vruti for the past three instalments which remain unpaid from the time the Villages passed under Government management and promises to pay future instalments regularly. The amount may be collected from each and respective portions released. If there should be any default, the defaulting Vrutidar's share may be dealt with according to rules.

VI The introduction of Survey and Settlement contemplated by Government in their recent Order and regarding which the Jadidars were consulted is not, as thought by Govt, Calculated

to protect the interests of the Jodidars at all. 117
far from being this it would surly lead the
Inamdars into unnecessary expens and loss in
more ways than one.

VII Further The distribution of Jodi amount among
the several Vrutidars is not fair as it is now
for the whole Jody amount is divided into as
many shares as there are Vrutidars and each
Vrutidars is made to pay, irrespective of the
extent of the Land that he may hold, the same
Jodi amount as any other that may be in
possession of a much larger extent. It is therefore
the earnest prayer of all the Vrutidars that a
Survey should be introduced into the village
and each Vrutidar be made liable
for the payment of only as much Jodi as might
be fixed on the lands actualy in his possession
and enjoyment, as matters stand now he has to
pay jodi for lands that may not be in his possn
but in that of another.

VIII I request therefore that the prayers
detailed in the above paragraphs may be
granted to us.

Most respectfully
I beg to remain Sir
24. 11. 94 Your most Obedient
and humble Servant
K Krishna Row.

ABSTRACT.

Appeals against the order passed by Comm Bangalore District No. 321/2-11-96 con- -veyed herein by the annexure in his En- -ment No. 57/11-11-96.

The order appealed against is as follo

You requested the District Authorit that the amount of arrears due by ar ryots of Banavathi and Arudi for the years during which the said villag were under Govt. management might be recovered and paid to you On this a report in detail was submi In reply thereto No. 321/2-11-96 h been received stating that when the arrears was outstanding the village

were taken under Govt. management along with the said arrears. that the Inamdar has resumed the village under similar circumstances rendering himself liable to all the loss and profit therein. that nothing can be done in the matter except according to what has been provided in the Land Revenue Code and Rules. and that an Endorsement to the above effect should be framed by you.

The petitioner says:-

In the year Sarvadhari the above villages were taken under Govt. management as the Inamdars failed to pay in a lump sum the amount of contribution for the Land. They continued under Govt. management till 1894-95. Subsequently the villages were restored to the management of the Inamdars granting them on the security of their respective Shares 6 years time for the payment of the amount of contribution.

Himself and some other Inamdars have paid their instalments. The Authorities have not taken into their notice the non-payment of instalments by the remaining Inamdars.

When the village was taken under Govt. management the Authorities took from the Inamdars the detailed Kulwar, Jakwar Jafadi and Balaki accounts.

During the period the villages were under Govt. management the Authorities collected

portion of the arrears stood left the balance uncollected - This was not collected inspite of their repeated representation -

Post. should note how the Inamdars could be made liable to the loss and profit accrued in the said villages during the period they were under Govt. management. Properly speaking the income derived from the Khajgi and Watai Rabs during the said period should have been credited towards the amount of Contribution due by them - The Authorities have merely credited the actual revenue collected. This is in contravention to the justice and practice -

In spite of his representations in the matter from the beginning to the Taluk and District authorities yet without any Enquiry the Order under reference has been passed. The mistake in the matter lies with the Taluk authorities - The District Govt authorities have not dis-posed of the matter Equitably -

On 24-10-36 he submitted a petition to the District - In reply he was granted an Endorsement to the Effect that proper steps had been taken for the collection and that the Govt. would be glad if he also apis to the Amildar in the matter

(15)

Prays that on perusal of all the records connected with the case final orders may be issued directing that the amount collected in the villages accordingly the amounts furnished by them during the 7 years in which the villages were under Govt. management may be credited towards the contribution due by them and that any balance that may still be due by them be recovered from them in instalments.

Pray that the Dfdt may be ordered to stay sale-proceedings.

D. No. 804

Encl. 10 in file of Per. Papers

Bangalore District
Deputy Commissioner's Office
Bangalore 10th/11 December 1897.

To,

The Secretary
to the Government of Mysore
General and Revenue Departments.

Sir,

With reference to your docket No. Get/1065 dated 9th January 1897 and subsequent reminders marginally noted, calling for a report with records on the petition of Nanjappa, Jodidar of Arodi and Banavati villages of the Dodballapur Taluk, I have the honor to state as follows.

- No. Get/1320 dated 12th/1st February 1897.
- do. Get/176 dated 31st July 1897.
- do. 4801/Get 663 dated 2nd December 1897.

2. The tanks of the said villages were repaired by the Public Works Department owing to their being

in a series. The cost of these repairs was ordered to be recovered from the jodidars viz Rs. 6576 from the Arodi village jodidars and Rs. 4971 from those of the Banavati village. These sums not having been paid, the villages were brought under Government management; Arodi on 3rd December 1888 and Banavati on 10th August 1889.

3. The Government in their order * No. 11872 / Rev. A. 93-92 of the 21st January 1895, directed the villages to be made over to the Inamdars on the condition of the Arodi jodidars paying Rs. 1500 and the Banavati jodidars Rs. 500 at once and agreeing to pay the balance by annual instalments of Rs. 500. The amounts

* Govt. Res. 23. Dt. 9-3-92

collected from the jodidars since that order are shown hereunder.

	Arodi	Bamvati.
Amount of instalment due on 30th June 1895.	1500	500
Instalment for 1895/96.	500	500
—Do— for 1896-97.	500	500
Total	2500	1500.
Amount collected towards the above, till the close of 1896-97.	1722-4-3.	1730-1-2
Balance	777-11-9	- 230-1-2 excess recovery.

4. It is seen from the above that the jodidars of the Arodi village have failed to pay the instalments as directed in the Government order quoted above and have therefore lost all claim to the concessions granted by that order.

5. The amount still to be

recovered from the holders of the Arodi village on account of the tank repairs is (Rs. 6,576 — Rs. 1,722-4-3) = Rs. 4,853-11-9 and that due from Banavati village holders is (Rs. 4971 — Rs. 1730-1-2) = 3240-14-10.

6. The following is a statement showing the amount of jodi due and the amount recovered:-

	Arodi Rs. A. P.	Banavati Rs. A. P.
Arrears of jodi due to Government when the villages were handed over to the Inamdars in 1895.	2376-11-5	98-4-6
Jodi for 1894-95 including cess.	1512-1-3	391-8-0
—Do— for 1895-96	1512-1-3	391-8-0
—Do— for 1896-97	1512-1-3	391-8-0
Total	6912-14-10	1272-12-6
Amount of jodi recovered upto the close of 1896-97	3465-1-9	1008-0-10
Arrears of jodi still due	3447-13-1	264-14-8

7. Hence the total amounts due from the jodidars are as follows.-

	Arodi	Banavati
Arrears on account of tank repair	4863-11-9	3240-14-10
arrears of jodi —	3447-13-1	264-11-8
Total	8301-8-10	3505-10-6.

year is herewith submitted as required.

11. The petition under report and its enclosures are herewith returned together with the entire records of the case.

I have the honor to be,
Sir,
Your most obedient Servant,

Deputy Commissioner.
